**Attendant Care** – is a combination of services which may include homemaking, personal care, and general supervision to assist you to meet your daily needs and allow you to live in your own home.

**Durable Medical Equipment (DME)** – is certain medical equipment that is ordered by your doctor for use at home. DME includes, but is not limited to: wheelchairs, crutches, hospital bed, IV infusion pump, oxygen equipment, nebulizer, and walker.

**Emergency Alert** – is a monitoring system which will call for assistance if you are unable to get assistance in an emergency situation and/or live alone.

**Home Delivered Meals** – is a service for members who reside in their own home, but who may not be able to prepare enough nutritious food to maintain good health

**Non-Emergency Medical Transportation** – is medically necessary transportation to and from your medical appointments, using sedan, wheelchair and stretcher services. Non-Emergency Medical Transportation does not replace emergency ambulance services, and certain restrictions may apply; please contact the health plan

**Vision Services** – provides vision exams and glasses for children under age 21; certain restriction apply for adult members, please contact the health plan.
