How to pick a Primary Care Provider or clinic

Doctors make up the Primary Care Provider network. We have picked the doctors listed in this book for their qualifications and their ability to see members in a timely manner.

All STAR+PLUS members must pick a Primary Care Provider. If you have a doctor you like, you can keep that doctor if he or she is in the UnitedHealthcare Community Plan STAR+PLUS network. If your doctor is a specialist, he or she might be able to be your Primary Care Provider, if approved by STAR+PLUS.

After you pick a Primary Care Provider, call the Enrollment Counselor at **1-800-964-2777** to join UnitedHealthcare Community Plan STAR+PLUS. Give him or her the name of your Primary Care Provider. If your doctor is not in STAR+PLUS, the Enrollment Counselor will help you pick a new doctor in the network. If you do not pick a doctor, one will be assigned to you. STAR+PLUS will send you the doctor's name, address and phone.

If you have Medicare, you will not have to pick a primary doctor with STAR+PLUS. You will need to tell your Service Coordinator the name of your doctor in your Medicare HMO (or the doctor you see if you have traditional Medicare).

The UnitedHealthcare Community Plan STAR+PLUS network sometimes changes. For a current listing, call Member Services at **1-888-887-9003** or TDD/TTY **7-1-1**.

UnitedHealthcare Community Plan STAR+PLUS Primary Care Providers and specialists

A specialist is a doctor who deals with a specific field of medicine, illness or disease, or part of the body. Your Primary Care Provider might want you to see a specialist.

With some health plans, members can only see specialists who are in their primary doctor's network. With STAR+PLUS, there are no restrictions or limits for specialists who are a part of our network. You do not need to worry that you will not be able to see the specialist that you and your doctor decide is best.

If you have Medicare, your doctor will not have to call STAR+PLUS for approval of specialty services. You should tell your Service Coordinator about any specialty care you get. He or she can make sure you are seen in a timely manner. He or she can also help with any follow-up care you might need.

Did you know that you might be able to pick your own health care giver?

UnitedHealthcare Community Plan can help you manage your home services

Consumer Directed Services (CDS) is a program for people with attendant/provider services. With this program, you find, hire and train your attendant/provider. You also review the budget for the services. You decide how much to pay your attendant. You decide how much to spend for the supplies and equipment you need. You can pick the person to handle the services for you. If you pick this program, an agency will teach you what to do. The agency will also handle the payroll for your services.

If you pick the CDS choice, you are the employer. You can hire, fire and manage your own health service providers. This can include your attendant(s), back-up attendant(s), in-home and out-of-home respite providers, habilitation providers. You have control over how your program funds are spent on salary and benefits for your employee(s). You pick a CDS agency to manage fiscal services for you. As an employer, you need to arrange payment of employment taxes. You need to pay your employees from your program funds. Your CDS agency will offer this service for you.

Why would I want to pick CDS?

When you hire your own employees, you can often find people you prefer to work for you. Within your allotted service budget, you can set your employees' wages and benefits. You can hire back-up employees for times when your regular employees cannot work. You can give benefits, such as vacation days and bonuses. You pick a CDS agency (CDSA) to do your payroll and federal and state taxes.

How does CDS work?

You pick the Consumer Directed Services Administrator (CDSA) to do your payroll and act as your agent to pay taxes. The CDSA helps you set up a budget. In some programs, the CDSA offers guidance on recruitment, salaries, benefits and administrative costs.

Which services can be self-directed in which programs?

Program	Services
STAR+PLUS Waiver Program (formerly known as Community Based Alternatives)	Personal Assistance Services, Respite, Physical Therapy, Occupational Therapy, Speech/Hearing Therapy
Primary Home Care/Community Attendant Services	Personal Assistance Services

Contact your UnitedHealthcare Community Plan Service Coordinator to help you pick the best choice. He or she can tell you what services you can get. Call **1-888-887-9003** or TDD/TTY **7-1-1** for hearing impaired.

Cómo escoger a un Proveedor de atención primaria o clínica

La red de Proveedores de atención primaria está formada por doctores. Un Proveedor de atención primaria puede ser un doctor, enfermera o clínica que le brinda la mayor parte de su atención médica. Hemos escogido a los doctores que aparecen en este folleto por su preparación profesional y su habilidad para atender a los miembros de manera oportuna.

Todos los miembros de STAR+PLUS tienen que escoger a un Proveedor de atención primaria. Si actualmente va a un doctor que le gusta, puede seguir viéndolo si está en la red de UnitedHealthcare Community Plan STAR+PLUS. Si su doctor es un especialista, podría ser su Proveedor de atención primaria, si lo aprueba STAR+PLUS.

Después de que haya escogido a un Proveedor de atención primaria, llame al consejero de inscripción al **1-800-964-2777** para avisarle que quiere inscribirse en UnitedHealthcare Community Plan STAR+PLUS. Dele el nombre del Proveedor de atención primaria. Si su doctor no participa en STAR+PLUS, el consejero de inscripción le ayudará a seleccionar a otro doctor que sea parte de la red. Si no escoge a un doctor, se le asignará uno. UnitedHealthcare Community Plan STAR+PLUS le enviará el nombre, la dirección y el número de teléfono del doctor.

Si tiene Medicare, no tendrá que escoger a un doctor primario de STAR+PLUS. Tendrá que darle a su coordinador de servicios el nombre del doctor de la HMO de Medicare (o el doctor que lo atiende si tiene cobertura de Medicare tradicional).

La red de proveedores de UnitedHealthcare Community Plan STAR+PLUS cambia de vez en cuando. Para una lista actualizada, llame a Servicios para Miembros al **1-888-887-9003** o a la línea TDD/TTY **7-1-1**.

Los Proveedores de atención primaria y especialistas de UnitedHealthcare Community Plan STAR+PLUS

Un especialista es un doctor que se concentra en un campo de medicina, enfermedad o en una parte del cuerpo. Es posible que su Proveedor de atención primaria quiera que usted vea a un especialista.

En algunos planes de salud, el miembro solo puede ver a un especialista que está en la red del doctor primario. Con STAR+PLUS, no hay restricciones ni limitaciones para los especialistas que forman parte de la red. No tiene que preocuparse por no poder ver al especialista que usted y su doctor piensen que es el mejor.

Si tiene Medicare, su doctor no tiene que llamar a STAR+PLUS para que le autoricen los servicios de un especialista. Debe decirle a su coordinador de servicios sobre cualquier servicio especializado que reciba. El coordinador de servicios se asegurará de que lo atiendan oportunamente. ¿Sabía que quizás pueda escoger a su propio proveedor de atención médica?

UnitedHealthcare Community Plan le puede ayudar a administrar los servicios en casa

Servicios Administrados por el Cliente (CDS) es un programa para personas que reciben servicios de un ayudante o un proveedor. Con este programa, usted busca, contrata y da capacitación al ayudante o proveedor. También revisa el presupuesto de los servicios y decide cuánto pagar al ayudante. Usted decide cuánto gastar en los artículos y el equipo que necesita. Puede escoger a la persona que se encargará de los servicios. Si usted escoge este programa, la agencia lo capacitará en lo que tiene que hacer. La agencia también se encargará de la nómina de los servicios.

Si escoge la opción CDS, usted es el empleador. Puede contratar, despedir y administrar a sus propios proveedores de servicios de salud. Entre ellos, el ayudante, el ayudante suplente, los proveedores de servicios de relevo dentro y fuera de casa y los proveedores de habilitación. Usted controla cómo se gastan los fondos del programa para los sueldos y los beneficios de los empleados. Usted escoge a una agencia de CDS para manejar los servicios fiscales para usted. Como empleador, usted tiene que hacer arreglos para pagar los impuestos de empleador y pagar a los empleados con los fondos del programa. Su agencia CDS le ofrecerá este servicio.

¿Por qué me beneficia escoger a CDS?

Cuando usted contrata a sus propios empleados, a menudo puede emplear a las personas con quienes prefiere trabajar. Dentro del presupuesto de servicio designado, puede fijar los sueldos y beneficios de los empleados. Puede contratar a empleados suplentes cuando los empleados que normalmente contrata no pueden trabajar. Puede dar beneficios, como días de vacaciones y bonificaciones. Seleccionará a una agencia CDS para que haga la nómina y los impuestos federales y estatales.

¿Cómo funciona CDS?

Usted selecciona la Agencia de Servicios Administrados por el Cliente (agencia CDS) que procesará la nómina y actuará como su agente para el pago de impuestos. La agencia CDS le ayuda a establecer un presupuesto inicial. En algunos programas, la agencia CDS le orienta en el reclutamiento, los sueldos, los beneficios y los costos administrativos.

¿Cuáles servicios pueden ser administrados por el cliente en ciertos programas?

Atención Esencial en Casa/Servicios de un ayudante en la comunidad	Servicios de ayudante personal

Comuníquese con el coordinador de servicios de UnitedHealthcare Community Plan para que le ayude a hacer la mejor selección. Le dirá cuáles servicios puede recibir. Llame al **1-888-887-9003** o a la línea TDD/TTY **7-1-1** para personas con problemas de la audición.
